Debtor(s).

RESPONSE to or ANSWER to DEBTORS OBJECTION

Debtor-creditor law governs situations where one party is unable to pay a monetary debt to another.

RELIEF REQUESTED

I THOMAS SMALLEY WILL affirmatively defend THAT I BELIEVE I AM ENTITLED TO A MONETARY SETTLEMENT DO TO MY LOSSES

1. core re: GM HAS YET TO REPLACE MY CAR UNDER RECALL (after many many requests)
 2. non-core re: MEDICAL CLAIM UPON MY FIRST NOTICE , MY INJURY IS DIRECT RESULT OF GM RECALL
 3. with the damage my body has sustained CAUDIA EQUINE SYNDROME will not show up in most cases until 4 or 5 years after a serious car accident with injury involved by a severe auto roll over accident . thus relating to future Asbestos Claims
 4. under Background 4 they claim I did not pursue a claim in court,thou the MANY post cards recieved says to take to a dealer,NOT TO FILE CLAIM IN A COURT?
under Background 6 say that 18 days after a debtors filing of June 1 2009
IN FACT even NHTSA states law gives 3 remedies (see #B page 2 2nd to last paragraph) to this date near 13 years later I still have no replacement
 5. I also am suprised in there objection they did not INFORM you or report to the court they had telephoned me on 12-15-10 claiming theres a 500 million fine for filing a false claim?
they said they are willing to offer \$5000 if i could drop this suit,or claim? I RESPONDED and said that does not even come close to my medical costs or replace the FAULTY automobile
- for the last 13 years i have suffered from my lack of earning ,the pain & suffering I go thru 4-5 HOURS EVERY DAY as i try and eliminate my bodies waste
- they also said that sense I an DISABLED per Social Security they told me " Oh your Disabled then we can have you report to the court Tela-Video" or of some form like that?
- There are 94 federal judicial districts. Each of these handle bankruptcy matters. In almost every district, bankruptcy courts hear bankruptcy cases and bankruptcy cases cannot be filed in state court.
- how then could I obtain a remedy at a 2 year window Caudia Equine Syndrome does not appear until year 4 or 5 and in any state for that matter and SHOULD be allowed as if a future Asbestos Claims 1st notice
- they also FAILED to INFORM you or report to the court any other information about AlixPartners or an email recieved after

it said to return more info.? (marked 1)
was this the mediation & informed them in my reply my disability

The court, on its own motion or on the request of a party in interest, may - (1) hold a status conference regarding any case or proceeding under this title after notice to the parties in interest; and (2) unless inconsistent with another provision of this title or with applicable Federal Rules of Bankruptcy Procedure, issue an order at any such conference prescribing such limitations and conditions as the court deems appropriate to ensure that the case is handled expeditiously and economically

I also have a SS case in Federal Court in Des Moines ,Iowa(for what will be 50 months of backpay) that may or maynot be enjoined to determine if either Social Security or GM should contribute to my NEEDS and Such (NON CORE) or if a Lower NY Court could grant,apon your broad powers in these matters. and if it Pleases the court I would be willing to amend the claim down to \$15,000,000

BUICK

NATSA.

B00061-S
September, 2000

Dear Buick Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Reason For This Recall: General Motors has decided that a defect which relates to motor vehicle safety exists in certain 1988-90 and early 1991 Buick Regal model vehicles located in the following states that include areas identified as having severe corrosion environments and heavy exposure to road salt

Connecticut	Delaware	District of Columbia	Illinois
Indiana	Iowa	Maine	Maryland
Massachusetts	Michigan	Minnesota	Missouri
New Hampshire	New Jersey	New York	Ohio
Pennsylvania	Rhode Island	Vermont	West Virginia
Wisconsin			

Some of these vehicles exhibit a condition in which the frame/cradle bolts pull through the retainers due to corrosion of the retainer. If both front bolts or both rear bolts pull through, the frame/cradle would not be properly supported and the intermediate steering shaft may separate from the steering gear. If this were to occur while the vehicle was in motion, a vehicle crash could result without prior warning.

What Will Be Done: Your dealer will replace the front and rear frame/cradle bolts and retainers. This service will be performed for you at **no charge**.

How Long Will The Repair Take? The length of time required to perform this service correction is approximately 25 minutes. Additional time may be required to schedule and process your vehicle. If your dealer has a large number of vehicles awaiting service, this additional time may be significant. Please ask your dealer if you wish to know how much additional time will be needed to schedule, process and repair your vehicle.

Contacting Your Dealer: Please contact your Buick dealer as soon as possible to arrange a service date. Parts are available and instructions for making this correction have been sent to your dealer. Your Buick dealer is best equipped to obtain parts and provide services to correct your vehicle as promptly as possible. Should your dealer be unable to schedule a service date within a reasonable time, you should contact the Buick Customer Assistance Center at 1-800-521-7300. - Deaf, hearing impaired or speech impaired call 1-800-832-8425 (Utilizes Telecommunication Devices for the Deaf/Text Telephones TDD/TTY).

Dear Claims Team,

attached is my Liquidation Letter,I had sent a booklet to

THE GARDEN CITY GROUP
ATTEN. MOTORS LIQUID
PO BOX 9386
DUBLIN, OH 43017-4286

In this booklet it says most likely mediation will take place that will basically argue Down the amount claimed ,so to start with this amount will surely be reduced , a claim of any less would never in most cases be argued UP ?

Not sure what the Value is for lost income,broken ribs,the Nerve Damage ,and the daily pain I go thru over last 10 years and Future 30+ years ,loss of my Vehicle, simple pleasures I can no longer do and the blatant disregard of my phone calls and loss for replacement. The fact the they tried to sweep under table by paying Congress Hundreds of Millions over last 15 years to avoid a "TOYOTA " type publicity linching that I feel my claim is appropriate knowing that even any amount that is near 10% would be fair and just!

Therefore I will claim the same amount I sent to GARDEN CITY GROUP

PS re: mediation , I did or wish to claim Hardship as to a location if I would need to travel for mediation, a Des Moines Location would be better able to assist me,Unfortunately My Father died last year and I could not travel the 350 miles to Chicago for services due to the ongoing pain I try and deal with on a daily basis.
